Previous knowledge

Building upon the EYFS in Year 1 children have explored their local area and know that they live in South Kirkby. They have learned about some of the human and physical features of their town. They know that we live in England, that England's capital city is London and that England is a country in the United Kingdom. They have learned about the four other countries in the UK. They have compared two towns in the UK their home town and the coastal town of Scarborough. They have compared a non-European country and explored the continents and oceans linked to the places studied.
