

# Andy Goldsworthy

## Year One, spring term

Andy Goldsworthy is an English sculptor famous for creating 3D sculptures in outdoor environments using natural materials like rocks, leaves and sticks.

### Key vocabulary

- collage
- sculpture
- 3D
- natural
- materials
- sculptor

### Key taught skills

- Explore and discuss Andy Goldsworthy's work.
- Explore textures of natural materials.
- Apply previous taught sketching skills to draw a piece of natural material, adding texture using line and shade.
- Source natural materials outside, observing texture.

### Final product

Create a 3D sculpture using natural materials on a large scale, considering shape and texture.
