

Andy Goldsworthy

Year one, Spring Term 1

Andy Goldsworthy is an English sculptor famous for creating 3D sculptures in outdoor environments using natural materials like rocks, sticks and leaves.

Key vocabulary

- Sculpture
- Sculptor
- 3D
- Natural
- Materials
- Pattern

Key taught skills

- Explore and discuss Andy Goldsworthy's work.
- Explore textures of natural materials.
- Source natural materials outside, observing texture.
- Make patterns with natural materials in the style of Andy Goldsworthy.
- Evaluate final piece.

Final piece

Create a 3D sculpture using natural materials on a large scale, considering shape and texture.
